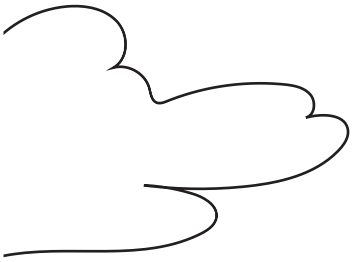
DRIVE THROUGH GEORGIA AGRICULTURE

A Farm To School Adventure!

GEORGIA
grown

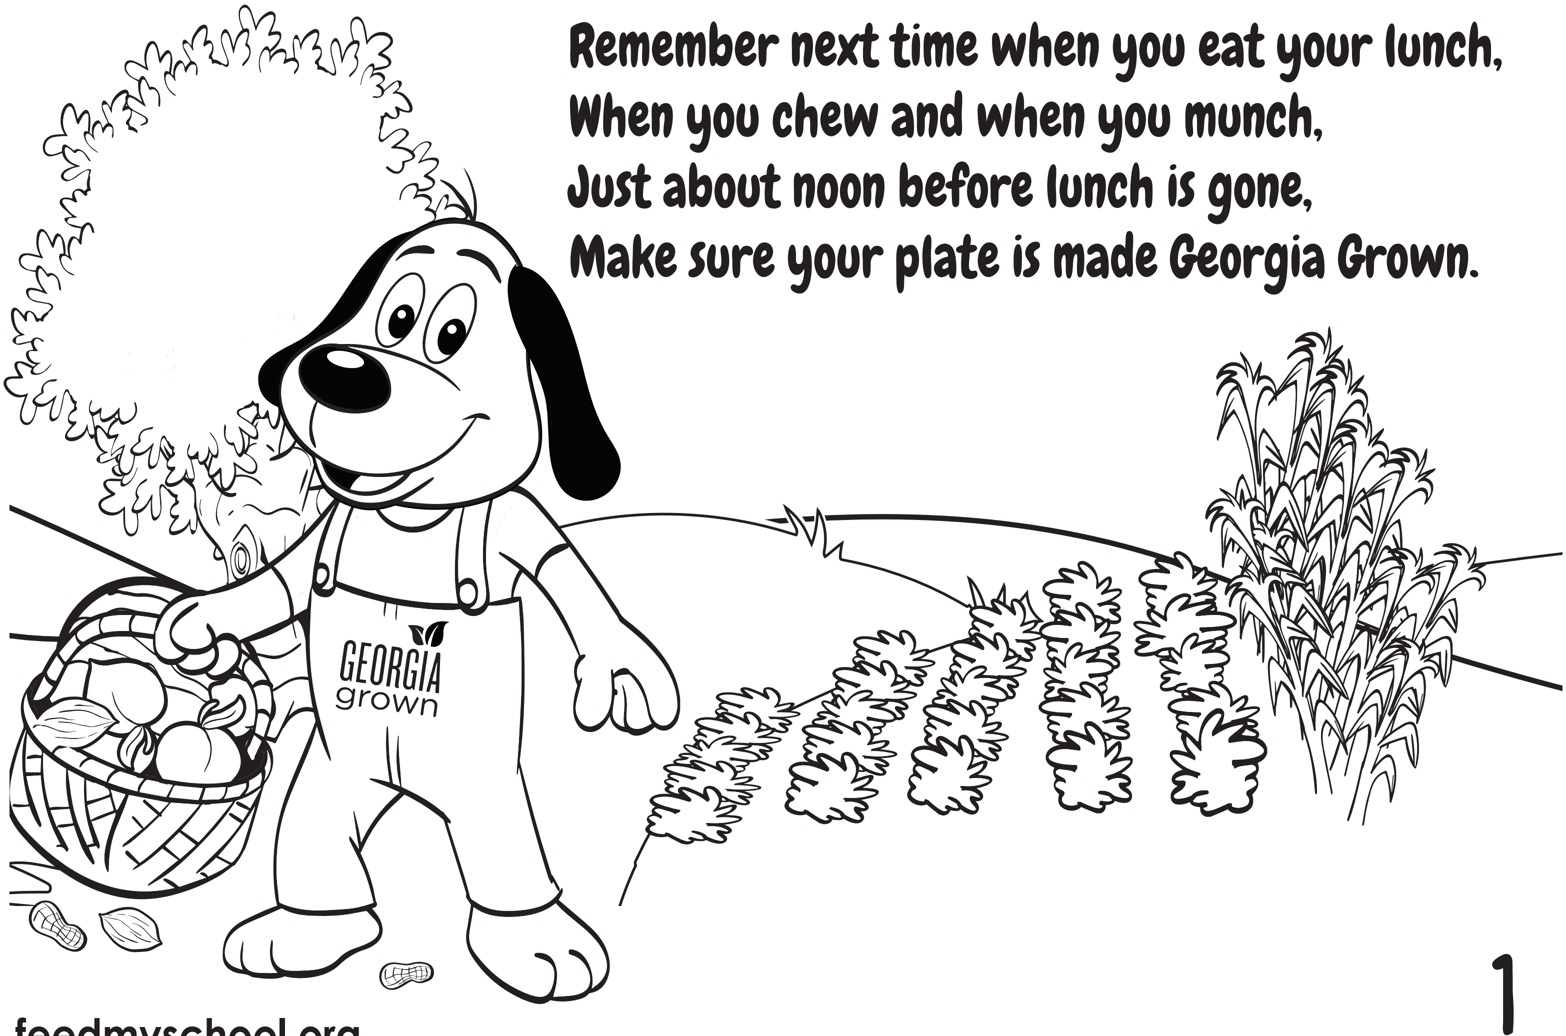
Georgie had a question at lunch one day:
How did all this food get here on my plate?
I've got Georgia Grown peaches and strawberries and pork,
But how does it get from the farm to my fork?

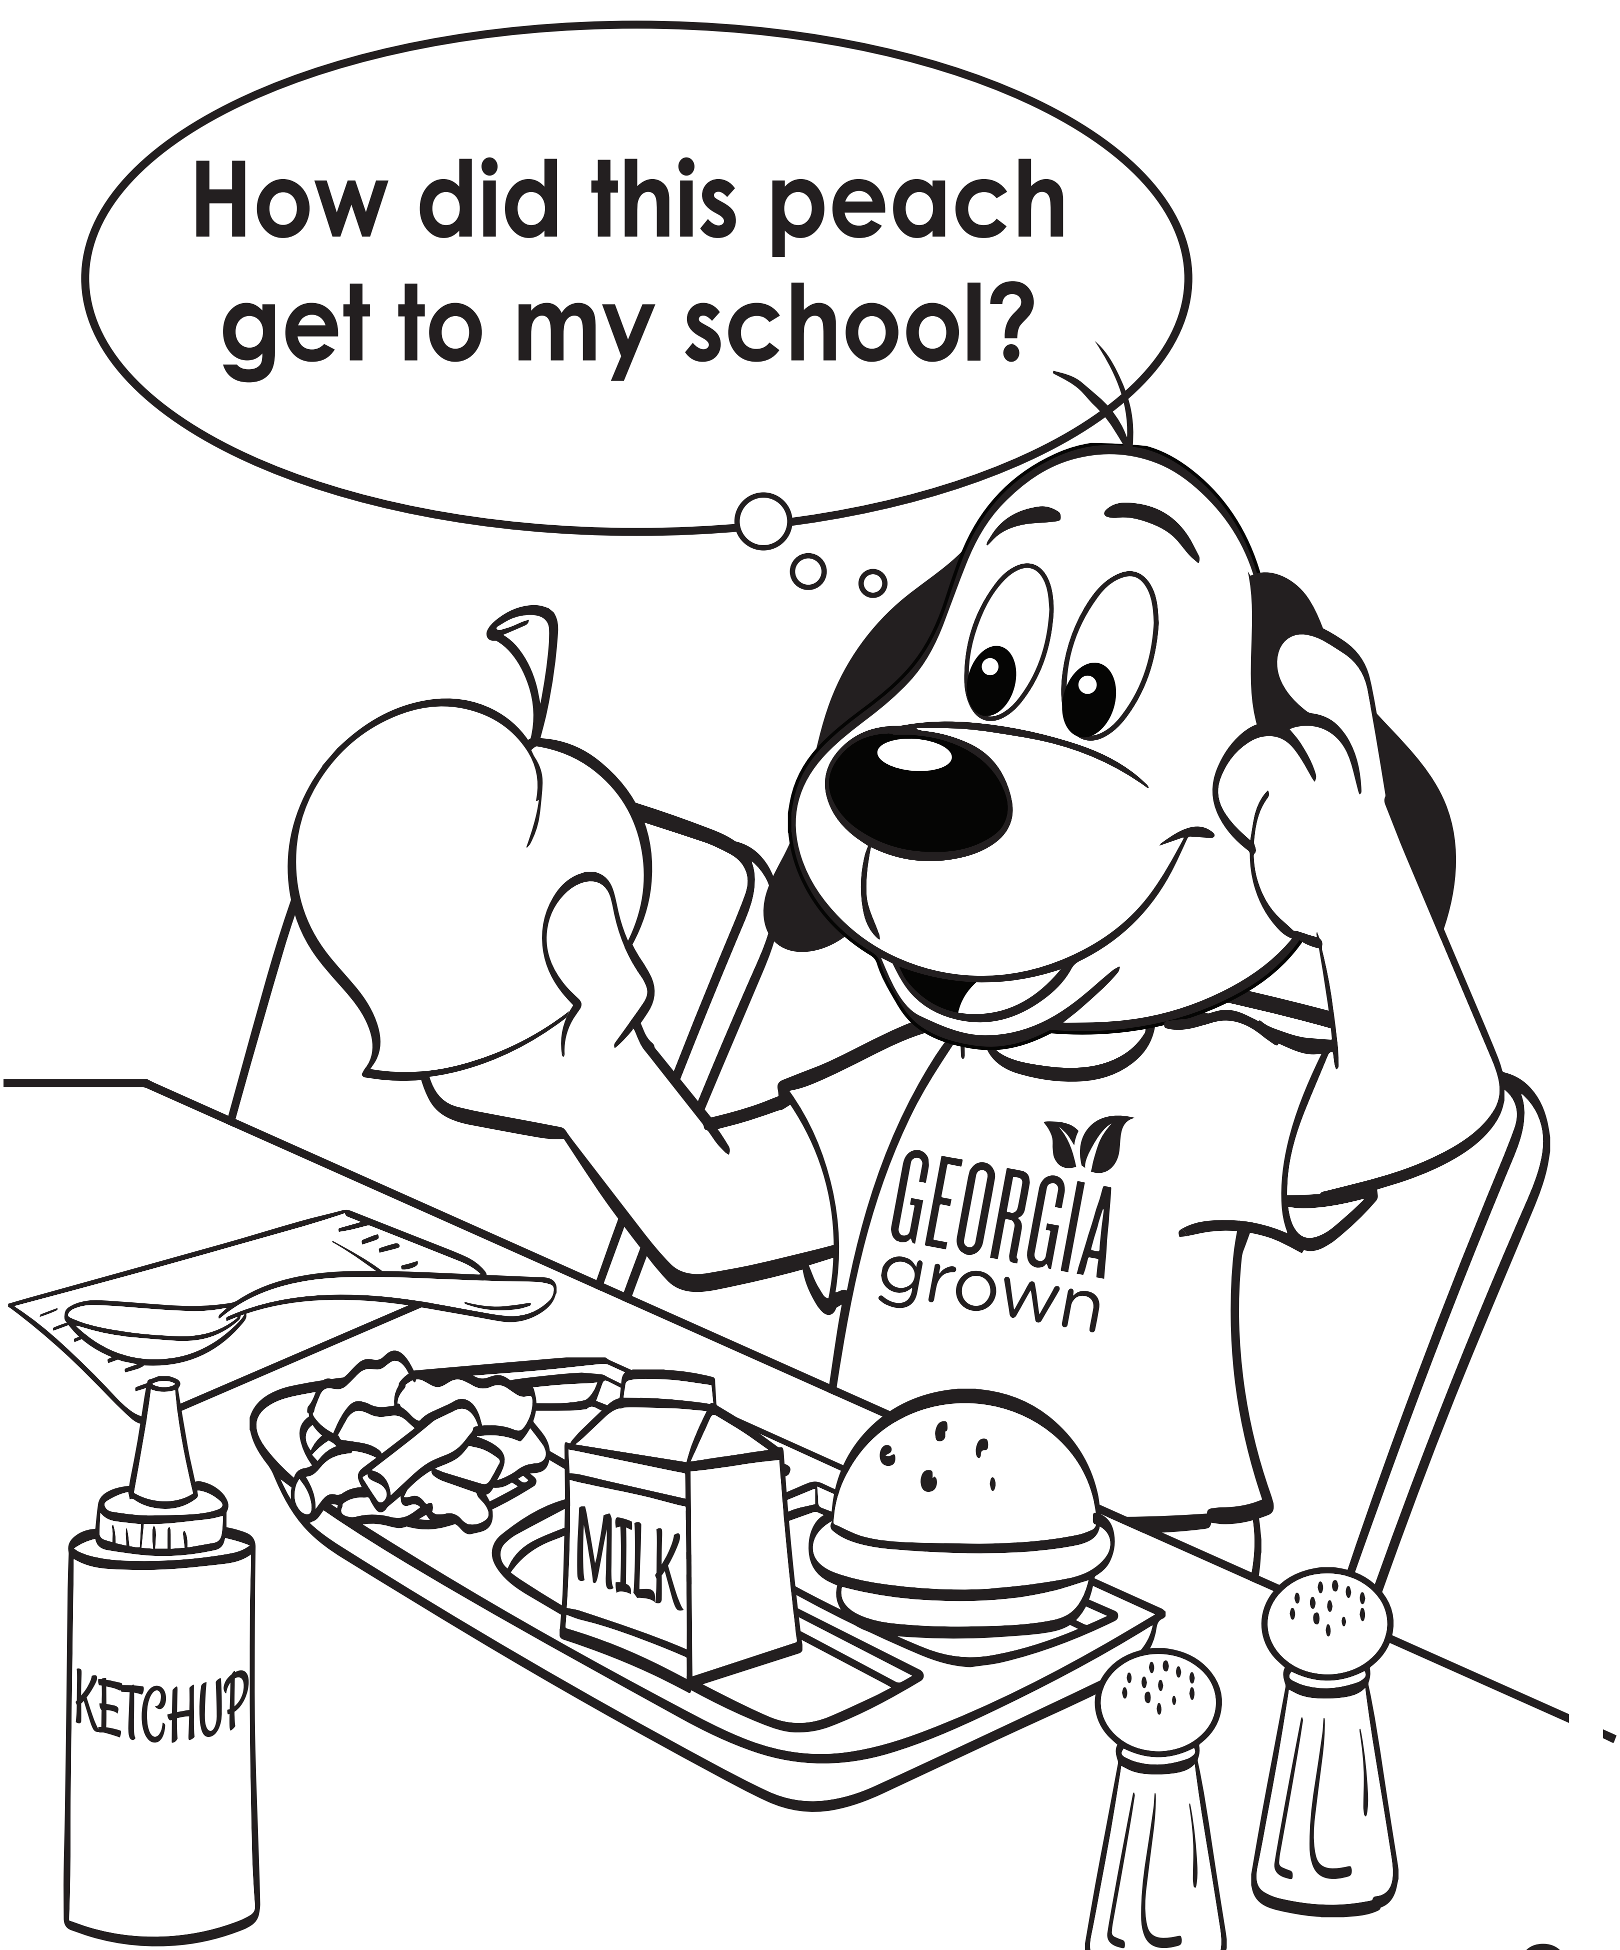


So he drove through Georgia to farms and fields,
To see if he could get the answer revealed.
He found fields of green and fields of sweets,
He found orchards of fruits and orchards of treats.

He went to the farms, he went to the stores,
He met the suppliers and found out the source,
Of where Georgia Grown comes from and how and whom
Makes Georgia Grown food get to his lunchroom.

Remember next time when you eat your lunch,
When you chew and when you munch,
Just about noon before lunch is gone,
Make sure your plate is made Georgia Grown.





How did this peach get to my school?
